COMMANDING OFFICER'S POLICY ON  
PROHIBITED ACTIVITIES AND CONDUCT

## Be Nice

Every member of VMFAT-501 holds value. Treat each other with dignity, respect and a trust for all. Treat one another as you would want to be treated.

## Have Fun

Stay professional but enjoy the light hearted joy of comradery. Encourage one another to try a new activity that someone else may enjoy that they have never tried.

## Work Hard

Engage in clear communication and expectations and provide transparency within the bounds of privacy to assure peers and subordinates that the Marine Corps values will be upheld.
