COMMANDING OFFICER'S POLICY
ON
SEXUAL ASSAULT

Be Nice

Everyone deserves to be treated with dignity and respect. Sexual assault is one of the most heinous crimes and will not be tolerated. We have a responsibility to look out for each other. If you see something, say something. Intervene before it is too late.

Have Fun

In order to truly have fun and enjoy each other's company we must have trust, confidence, and a sense of safety with each other. Victims of sexual assault lose their ability to enjoy themselves and the company of others around them.

Work Hard

In order to remain successful, it is imperative that everyone is working at their full potential. We have to work as a team. Sexual assault is a threat to our success, teamwork, and will destroy our ability to accomplish the mission at hand.

If you feel you are a victim of sexual assault, do not hesitate to contact our SAPR Victim Advocates (UVA), Sexual Assault Response Coordinator (SARC), Chaplain, Victims Legal Counsel (VLC), MCAS Beaufort Sexual Assault 24/7 Helpline at (843) 228-6009, or the DOD Safe Helpline at (877) 995-5247.
